Bellin College is dedicated to preparing health care professionals by providing an intellectually stimulating environment focused on leadership, community service, and lifelong learning that promotes excellence in health care practice and the advancement of the profession.

Excellence, Integrity, Community, and Caring
Provides a framework for decision making and interactions.
Message from the Board of Trustees...

Dear Friends of Bellin College:

On June 30, 2011, Bellin College ended both another wonderful year and a great era under the direction of Dr. V. Jane Muhl, who has retired. The seven years under Dr. Muhl’s leadership brought numerous changes to the College. The most visual change was the creation of our own campus setting in Bellevue opening in 2009. Academically, we began our Masters of Science in Nursing (MSN) program graduating students in both nursing education and nursing administration. The College expanded its offerings to include a baccalaureate in radiologic sciences (BSRS). The first class of radiologic technicians will graduate in 2013. With this expansion the College changed its name from Bellin College of Nursing to Bellin College. We wish Dr. Muhl the most enjoyable retirement and look forward to continued achievement under the leadership of our new President, Dr. Connie J. Boerst.

The mission of the College is to prepare health care professionals. This year we graduated 88 nurses with a Bachelor of Science in Nursing (BSN) and five MSN. They are now serving in our community, state, and in a few cases around the country. Everywhere they go, they are ambassadors for Bellin College. We are proud of them and all alumni and their successes.

The mixture of our student body is probably much different than you might expect. Half of our BSN students are the traditional, four year student. The other half enter as transfer students which include our freshman, sophomore, and 15 Month options. We are proud of our dedicated student body.

No matter which program the students enter, the support they receive from our donors is critical. Our students have a tuition that will average about $20,000 a year. Your contributions to scholarships help fund their tuition to earn their degree. Thank you for your continued support.

Sincerely,

Robert Clausen
Bellin College Board of Trustees
Chairperson
Message from the President

“It is with pleasure that I present the 2011 Bellin College Annual Report. As we reflect upon the past year, I am proud of the achievements made by our College Community. Because of the dedication, hard work, and leadership of our Board of Trustees, faculty, and staff; Bellin College is well positioned for a strong and vibrant future. Dr. V. Jane Muhl, President Emeritus, had much to do with the accomplishments of the College. She looked to the future and prepared us for the second century of the College’s existence. As we look forward, the College continues its mission of preparing health care professionals by providing a stimulating environment that focuses on leadership, community service, and lifelong learning.

Within this report, you will read about the highlights of the past year from Academic Affairs, Business and Finance, Development and Public Relations, and Student Services. Our entire College staff and faculty live the College values of Excellence, Integrity, Community, and Caring in everything that they do. Alumni Relations offers annual events that strengthen the relationship between the College and its alumni. The Bellin College Golf Classic continues to be a strong driver for fundraising. We are blessed with donors who support our faculty through Endowed Professorships, our students through scholarship, and who continually give to support the mission of Bellin College.

As we build on our accomplishments, we are appreciative of the outstanding support our donors provide our students, faculty, and staff at Bellin College. Your generosity is pivotal to our creativity and success. Your gifts carried much significance and have helped to provide high quality education to meet our students and the community’s needs. Your support energizes our College, ensures our future success, and helps us to prepare graduates for tomorrow’s health care organizations. Thank you, most profoundly, for all you do for Bellin College.

Sincerely,

Connie J. Boerst, EdD, RN-BC
President/CEO
Vice President of Academic Affairs
The year of 2011 was an energetic year for Academic Affairs. Our department continues to grow to meet the ever changing needs of nurses and radiologic technologists by preparing for the next generation of health care leaders. Our focus is to improve patient outcomes, reduce disparities in health care, and meet the needs of diverse populations through our education programs and offerings to the students and community.

Curriculum improvement was top priority in 2011. The nursing faculty members implemented revisions for the traditional and 15 month nursing options. Our radiologic science faculty members completed enhancements to provide the best possible learning experiences for their students. Plans were finalized at the master’s level to begin a Family Nurse Practitioner program in fall 2012. The 48-credit course of study includes theory, lab, and clinical experiences in a variety of settings. The graduate Nurse Educator program continues to be an exceptional option for practicing nurses who are passionate about teaching. Expansion of our general education option include math, ethics, diversity, and business courses.

A special thank you is extended to each faculty member for their commitment to excellence in the education of nurses and radiologic technologists.

The academic highlights include:
• 2011 Nishioka Family Faculty Excellence Award recipient, Professor Lynn Murphy.
• Heidi Monroe, Susan Rymer, Karen Van Beek promoted to Assistant Professor of Nursing Dr. Connie J. Boerst promoted to Professor of Nursing.
• Increased the number of clinical agency partners/clinical instructors in the BSRS program.
• Increased the number of simulations that are included within the nursing curriculum.
• Supported the Bellin Health System Nurse Residency Program through simulation.
• Began the institute for Health care Improvement (IHI) Open School Chapter initiative.
• Accepted the “Ambassador Award” for the significant donation of time, talent, and support to Encompass Childcare with Professor Lynn Murphy and our students. The award also recognizes the partnership with the N.E.W. Community Clinic, Encompass Childcare, and Bellin College.

Development and Public Relations

The Development and Public Relations department includes: alumni relations, donor relations, marketing, recruitment and special events. Our department strengthens Bellin College for current and future generations through sharing its long tradition of excellence.

Highlights in 2011:

• Awards of over $300,000 in scholarships were presented to over 140 students at our annual Scholarship Salute in October.
• The presidential suite was named in memory of Mary L. and Warren R. Von Ehren.
• Classroom 103 was named in memory of Eugenie (Hruza) Erdman (‘62).
• Coordination of special events held on campus were the KI international Sales meeting, Polio Plus Rotary Walk, Learning and Retirement, Blood Drive, and the retirement farewell gathering for Dr. V. Jane Muhl, President Emeritus.

• Bellin employees, students, and friends of the college have a long-standing history in support of the Bellin Run and continue to do so on an annual basis. Over the years, coming together to support the Bellin Run and participation has resulted in more than $160,000 toward the Bellin Run Scholarship.

• Initiating community events is our domain in supporting the Bellin Run, Literacy Green Bay, N.E.W. Community Clinic, and Sting Cancer.

• Student recruitment and public relations opportunities include: Health care programs, Summer Nursing Camp, Life’s a Lab Science Reality Camp, Campus Visits and Preview Days, Registration and Resources Orientation program, and our Student Ambassador program.

• As we continue our recruiting strategies, we look to advancements in technology to efficiently find more prospective students.

• The Alumni Relations department continues to hold two annual events, the Social Breakfast in May and the Graduating Class Alumni Homecoming in September.
  • The sponsored social breakfast has been a popular event for the students. The alumni are invited to the event which gives the students networking opportunities and provides them the chance to create final memories together.
  • The Alumni Homecoming theme was “nursing alumni around the world.” The three presenters were: Amanda Atwood ‘11 presented on the Roma in Slovakia, Mary Pfantz ‘84 presented on Papua New Guinea, and Donna Zelazoski ‘69 presented on Haiti.

Alumni Council Mission & Members, 2011

Dedicated to maintaining a connection between current and future alumni through scholarship and fellowship.

Thank you for your commitment to the alumni association!
Student Services

It has been another busy and exciting year for the Student Services department: Admissions, Bursar, Financial Aid, Registrar, and Main Office. In addition to the above, the security, volunteers, and the BC Express Café, are ancillary services that are designed to compliment student life.

Over the past 12 months, we coordinated a variety of activities to support positive student experiences such as: a job fair, the parent’s page on our website, campus preview days, Career Club, and provided a variety of workshops focusing on financial literacy.

We redesigned our articulation agreement with St. Norbert College (SNC). Students will enter SNC’s Pre-Nursing option to complete their general education courses, then enter the Bellin College 15 Month Option.

In a one year span, the admissions office reported that 132 new students joined us:

• 24 BSN students in the 15 Month Option (January 2011)
• 27 BSN students in the Sophomore Option (June 2011)
• 24 BSN students in the 15 Month Option (June 2011)
• 15 BSRS students in the Traditional 4-Year Option (August 2011)
• 34 BSN students in the Traditional 4-Year Option (August 2011)
• 8 MSN students in the Master of Science in Nursing

Our enrollment numbers as reported to the Federal Government for October of 2011 were 329:

• 263 BSN - Undergraduate School of Nursing
• 32 BSRS - Undergraduate School of Radiologic Sciences
• 34 MSN - Master of Science in Nursing
Golf Classic 2011

The 11th Annual Bellin College Golf Classic was held on Tuesday, August 23, 2011 at Thornberry Creek at Oneida. Bellin College would like to thank all of our sponsors and golf teams who participated. We hope to see all of you again at the 12th Annual Konop & Long, Jr. Golf Classic which will be held at the Oneida Golf & Country Club on Monday, June 18, 2012.

Endowed Professorships

The Bellin College Endowed Professorship program was established in 1995 to recognize faculty who excel in their designated clinical specialty. Endowed professorships are funded by a minimum gift of $500,000 and exist in perpetuity. The principal is invested and the income from these permanently invested funds support endowed professors’ salaries and benefits.

Donors who choose to endow a faculty position recognize that their gift will make a lasting contribution to Bellin College. Great colleges have great faculty, and our endowed professorship program contributes to this excellence.

**Bellin Family Medical-Surgical Professorship**  
**Associate Professor: Dr. Kathleen Zellner**

Kathy Zellner, PhD, RN-BC, CNE, has over 30 years of experience in critical care management and nursing education. She received her BSN from Marian University and her MSN from Marquette University with an emphasis in adult nursing and a minor in nursing management. She accomplished her PhD in Leadership in Higher Education from Capella University in 2008.

Kathy has worked in various capacities at the College: she served as Department Chair for over five years, and is currently Associate Professor, teaching Advanced Concepts in Nursing. Additionally, she is the Director of the College Assessment Program, overseeing the continuous quality improvement processes within the College, and serves as Chairperson of Bellin Health’s Corporate Institutional Review board.

Kathy is certified in medical-surgical nursing through the American Nurses Association Credentialing Center (ANCC) and is certified in nursing education (CNE) through the National League for Nursing. She is a member of a variety of nursing organizations including Sigma Theta Tau, Kappa Pi Chapter-at-Large and the national and local chapters of the American Association of Critical Care Nurses. Her research interests include grade inflation in higher education, student attrition issues, and student success in nursing.

**Philip and Betsy Hendrickson Cardiovascular Nursing Assistant Professorship**  
**Professor: Dr. Debbie Metzler**

Debbie Metzler DNP, RN, GNP-BC, has taught nursing at Bellin College for over 32 years. She earned her BSN from the University of Wisconsin - Madison, and completed her Master of Science degree from the University of Wisconsin - Oshkosh with a focus in nursing education and primary care nursing.

She has a post-Master’s certification as a geriatric nurse practitioner. She is certified by the American Nurse Credentialing Center as a Gerontological Nurse Practitioner. In addition to her current teaching role, she works as an Advanced Practice Nurse Practitioner at a cardiology clinic in Green Bay, Wisconsin.

She also has completed her Doctorate of Nursing Practice. Her clinical research focus was in the area of identifying the link between mental health in relationship to the development and progression of cardiovascular disease.

Debbie has combined her passion for teaching, cardiovascular nursing, and clinical practice to enhance the health care of individuals throughout the Green Bay area.
Anne M. Rose and John Rose
Arthritis Nursing Professorship
Assistant Professor:
JoAnn Swanson

JoAnn Swanson MSN, RN-BC, ONC has dedicated 30 years of her nursing career to teaching. She received her BSN in 1979 and her MSN in 1985 from the University of Wisconsin-Oshkosh with a focus in nursing education and primary care nursing. Her research emphasis was on Individuals with Arthritis and the Impact of formal education programs.

JoAnn has taught across the curriculum and is currently teaching Gerontological Nursing and Medical-Surgical Nursing and is certified in the areas of gerontological, medical surgical and orthopedic nursing. JoAnn has been an item writer for the Gerontological Certification Exam and was also a Standard Setting Panel Member for the Medical Surgical Certification Exam for the American Nurses Credentialing Center. JoAnn was the 2010 recipient of the Nishioka Family Faculty Award for Excellence.

In addition to working with local chapters of nursing organizations, JoAnn is an active Board Member of Northeastern Wisconsin Area Health Education Consortium, an organization which promotes access to health care for the under served population.

Cornerstone Foundation of Northeast Wisconsin
Mother and Infant Professorship
Assistant Professor: Dr. Mary Rolloff

For more than 25 years, Mary Rolloff, PhD, RN, MSN, has shared her passion for women and children as a staff nurse, nurse manager, clinical nurse specialist, and now an educator.

Mary received her BSN in 1978 from the University of Wisconsin- Milwaukee. Her MSN in parent-child nursing followed in 1986 from the University of Wisconsin - Madison.

In 2011, Mary completed her PhD program in nursing education at the University of Northern Colorado. Mary is certified as a Nurse Educator through the National League of Nursing.

Mary joined Bellin College in 2003. She is currently an Assistant Professor and teaches maternity and women’s health care and research in the undergraduate program.

Mary is active in a variety of professional organizations including Sigma Theta Tau and the Wisconsin Association for Perinatal Care.

Papier Converting Machine Company
Cancer Professorship
Assistant Professor: Dr. Ellen Reifschneider

Ellen Reifschneider, PhD, RN, MSN, has more than 40 years of experience in the nursing field. Ellen received her BSN in 1968 and her MSN in 1972, both from the University of Wisconsin - Madison.

Her PhD in Nursing was granted in 1998 from the University of Wisconsin-Milwaukee. As a member of the graduate faculty, Ellen’s teaching includes professional role development, research, health systems & organization, and theories of education. Her undergraduate teaching focuses on clinical leadership and transition to the graduate nurse role.

She is a member of the National League for Nursing and the Oncology Nursing Society.

Paul Ziemer Memorial
Cardiovascular Nursing Professorship
Associate Professor: Dr. Nancy Burruss

Nancy Burruss, PhD, RN, CNE has almost three decades of experience in cardiac care including critical care and cardiothoracic surgery.

Her BSN degree was granted at the University of Illinois College of Nursing in Chicago and her MSN was granted by Adelphi University, Long Island, NY. She recently was awarded her PhD in Nursing Science with a major in Nursing Education and a minor in Adult Health from Indiana University School of Nursing in Indianapolis. She is certified by the National League for Nursing as a Certified Nurse Educator.

An Associate Professor, Nancy is the BSN Program Director at Bellin College. She teaches undergraduate courses in pathophysiology and fundamental nursing.
Deceased

Legacy Society

The Legacy Society of Bellin College was started in 2001 to provide donors the opportunity to remember the college in their estate planning. Sometimes making gifts to the college during one’s lifetime is not possible, and a bequest is more feasible. An estate gift to the college leaves a legacy to our students by supporting their education and making a career in nursing and radiologic sciences possible for them. We thank the many forward-thinking benefactors of the college whose legacies have already provided us with $1.7 million in gifts.

The following Legacy Society members identified Bellin College in their planned giving:

**Founding Members**

- Dr. Thomas and Louvain Beno

Lucyanna Hitch Award for Excellence

This prestigious award is in memory of Lucyanna Hitch who was a nurse, community leader and long-time advocate of Bellin College. Each year the recipients for this award are carefully evaluated to meet the values expected of students who attended Bellin College. The college values of Excellence, Integrity, Community, and Caring serve as a professional benchmark for members entering the health care field to be eligible for this award that Lucyanna Hitch valued and cherished.

The College couldn’t have been more honored to present the award to, Ge Lo, a Bellin College graduate. Faculty say, “He is very enthusiastic and often mentors other students in their coursework. He is consistently positive, respectful and professional in all encounters. He always has a smile and a great positive attitude about everything he does.” Faculty add that, “His honesty and respect for individuals sets an example for others to attain.” Ge demonstrated the College values day in and day out through his communication, hard work and honesty in interactions with faculty, staff and peers. Ge Lo expressed his gratitude at the 2011 commencement ceremony and said, “It has been a hard road, but I believe my learning experiences at Bellin College have prepared me exceptionally well for the real world.”

Nishioka Family Faculty Award for Excellence

Each year a faculty member is recognized for their outstanding service at the College through the generosity of Dr. Nishioka and his family.

Professor Lynn Murphy, proudly accepted the award with her husband and family by her side. Lynn continuously reflects the College mission and values of Excellence, Integrity, Community, and Caring in all of her interactions. She has earned the respect of her peers, the students, the staff, the administration, and the community. Faculty members describe her as someone who “offers valuable suggestions and personal insight while demonstrating excellent organizational skills”.

Lynn teaches Pediatric Nursing and Nutrition for Nursing and participates in a joint appointment with Bellin College and the Northeast Wisconsin (NEW) Community Clinic. Lynn has 19 years of experience in nursing and has been with Bellin College for 13 years. She is certified by the Pediatric Nursing Certification Board as a Pediatric Nurse Practitioner and is a member of a number of organizations. Lynn demonstrates her commitment to both nursing education and nursing practice on a daily basis and continues to give back to the community.
Scholarships

Endowed Scholarships

Endowed scholarships are an important resource for our students. To endow a scholarship, a gift of $10,000 is given. An endowed scholarship memorializes those who have passed away or honors a living loved one. These gifts are kept in perpetuity. Only the economic growth from the total endowed scholarship fund is used to make scholarship awards.
